DETAILS:

Date June 14, 1963

FANNY LOU HAMER, Ruleville, Mississippi, housewife and Voter Registration Worker for Southern Christian Leadership Conference, was interviewed at 1389 Lansing Street, S. E., Atlanta, Georgia.

She furnished the following information:

She was traveling with a group of ten individuals on June 9, 1963, by Continental Trailways Bus enroute from Charleston, South Carolina, to Greenwood, Mississippi. The group had attended a Citizenship Training Class in Charleston and was returning home. The bus stopped at the terminal in Winona, Mississippi, about 11:15 a.m. on June 9, 1963. Several of the group got off the bus to get something to eat but Mrs. HAMER remained on board. About 15 minutes after arriving, Mrs. HAMER saw one of the group, ANNELLE PONDER, and two or three of the other girls come out of the bus station restaurant quickly with Winona Police and Mississippi Highway Patrolmen. She saw the officers put ANNELLE and several others in police cars. Mrs. HAMER got off the bus and asked ANNELLE what was wrong. At this time Mrs. HAMER was ordered by (Unknown Subject Number One), a Sheriff or Deputy Sheriff, who was wearing civilian clothes and a badge to get into his car, that she was under arrest. There was another white male (Unknown Subject Number Two) who rode in the car to the Winona County Jail with Mrs. HAMER and Unknown Subject Number One.

When entering the car Mrs. HAMER said that Unknown Subject Number One kicked her and she asked him why he had done this. His only answer was curses. Mrs. HAMER said she did not resist arrest but only asked what the charge was against her but neither Unknown Subject One or Two would tell her the nature of the charges.

There were six of the group of ten who were arrested including Mrs. HAMER and Mrs. HAMER believes the cause of the trouble was the group attempting to eat at the bus terminal restaurant; however, she never heard any of the officers actually state that this was the reason for the arrest being made.

Included in the group of six were ANNELLE PONDER, JUNE JOHNSON, EUVESTER SIMPSON, JAMES WEST and Mrs. HAMER.

After arriving at the County Jail in Winona, Mrs. HAMER was placed in a cell with EUVESTER SIMPSON and she heard one of the policemen say something to the effect they had been disturbing the peace but no formal charges were brought at this time. Soon after being placed in the cell Mrs. HAMER said that JUNE JOHNSON was beaten in her cell. She said she did not see this but she could hear JUNE screaming. A little later, Mrs. HAMER observed that ANNELLE PONDER was taken from her cell to another cell where she was beaten. She did not see anything but could hear ANNELLE screaming. After the beating she saw ANNELLE with her mouth bloody staggering back to the cell she had been placed in originally.

A short time later Mrs. HAMER was taken from her cell to another cell where there was a State Highway Patrolman (Unknown Subject Number Three). Also in this cell were two other white men, Unknown Subject Number Two and Unknown Subject Number Four. Unknown Subject Number four was recognized a day or two later by Mrs. HAMER wearing a Winona, Mississippi, Police Officer's Uniform; however, while he was in the cell on June 9, 1963, he was wearing a light blue shirt and Navy blue pants with nothing to identify him as an officer.

A Mississippi State Highway Patrolman questioned Mrs. HAMER about where she had been and why she had been in Charleston, South Carolina. She told him she had gone to a Citizenship Training School and he contradicted her saying "you went to march" and "you went to see MARTIN LUTHER KING" and "we are not going to have it." The Highway Patrolman then gave a blackjack to one of the Negro prisoners and told Mrs. HAMER to lay on the bed in the cell. The other prisoner then say on Mrs. HAMER's feet and the first prisoner was ordered by the Patrolman to beat her. The Highway Patrolman said they were not going to kill her but she would wish she were dead before it was over. Unknown Subject Number Two who was wearing dark trousers and white shirt and nothing that would identify him as an officer, hit Mrs. HAMER in the face and on the head a couple of times with his hand when she was

screaming from the blows of the blackjack and told her to shut up. After the first prisoner finished beating her the second prisoner was ordered by the Highway Patrolman to take his turn and then Unknown Subjects Two, Three and Four left the cell during the second beating. At an unrecalled later time the Highway Patrolman came back to the cell and told the prisoner to stop the beating. The Patrolman then lead Mrs. HAMER back to her cell where she had originally been placed with SIMPSON. No medical treatment was afforded although she had been beaten severely with the blackjack over her entire body including her arms, legs and head.

On the night of June 10, 1963, all the group was taken out of the cells for a short time and the Highway Patrolmen made photographs.

On the morning of June 11, 1963, the group was taken out of jail to appear in court. Mrs. HAMER rode with a Police Officer (Unknown Subject Number 4) who was driving a marked police car. She did not recognize any number or identifying mark on this car.

When Mrs. HAMER appeared in court she was charged with immoral conduct and resisting arrest and the only testimony against her was given by Unknown Subject Number Three, the Highway Patrolman, and Mrs. HAMER pled not guilty. She was given a choice of paying a \$100 fine or posting \$200 bond. Mrs. HAMER was taken back to her cell immediately after this session in court. On the afternoon of June 12, 1963, she posted bond and when she left to go to Greenwood, Mississippi, JAMES WEST was the only one of the group still in jail. She said that WEST wanted to stay there at this time with his friend (First Name Unknown) GUYOT who had come over to Winona from Greenwood, while they were in jail in order to try to help him. GUYOT became involved in some trouble with police and he was put in jail.

AT 44-1452

Mrs. HAMER said that since she was about ready to catch a plane out of Atlanta she would not have time for a written statement to be prepared although she had no objection to signing one. She stated that the FBI had taken her photograph in Greenwood, Mississippi, after her release from Winona Jail.

Unknown Subject Number One was described by Mrs. HAMER as follows: White male, age late 50's or 60, height 5'10", weight 160, build medium, complexion, hair and eyes unknown. Wearing white shirt, beige Panama hat with a darker brown band, wearing glasses, badge number not noted. Car Number or license not observed. Scars, marks and tattoos - none observed.

Unknown Subject Number Two white, male, age about 30, height 5'9", weight 170 pounds, medium build, dark almost black hair, wearing dark pants, white shirt and no hat. No identifying marks, scars or peculiarities.

Unknown Subject Number Three, white male, age early 30's height 5'9", weight possibly 200 pounds, build stocky, hair light brown, suntanned complexion, wearing State Highway Patrol uniform, no identifying rank or badge number noted.

Unknown Subject Number Four, white, male age 30-35, height 6'-6'1", weight 170-175, build slender, hair brown, complexion fair. Wearing Winona, Mississippi, Police Officer's Uniform, on June 11, 1963, wearing on June 9, 1963, light blue shirt and Navy blue pants. No identifying badge number or rank or police car number noted.

Enclosed are two copies of a letter from the Department dated 7/2/63.

You should expend every effort to obtain photographs of Patridge, Surrell and Stidham through any source available. Since Sheriff Patridge ran for office of sheriff, it would appear that possibly some campaign fliers or other material issued in connection with his campaign may have contained a photograph of him. If these photographs cannot otherwise be obtained, you should arrange to take appropriate photographs of Patridge, Surrell and Stidham without their consent but in such a manner that the individuals will not be aware that they are being photographed. This should be handled in a circumspect manner in order to preclude any embarrassment to the Bureau.

With respect to the request for interview [redacted] you should cover any items not previously developed during the interview with him conducted by the New Orleans Office. New Orleans Office should, of course, conduct this interview if [redacted] is located in the New Orleans territory. This is also the case with respect to the interviews with the other bus drivers.

SUBJECT: Earl Wayne Patridge, et al, Fannie Lou Hamer,
et al, Victims, Civil Rights

It is essential to completing the investigation in this case that the following two items be obtained:

1. Photographs of Earl Wayne Patridge, William Surrell and Alden Stidham. These photographs should be of sufficient clarity to permit identification of each subject by the various victims. If the photographs can not otherwise be obtained, they should be procured by photographing these subjects with or without their consent.
2. The identity of the unknown subject described as having a "crew-cut". In interviews by agents of the FBI and by attorneys of this Division, this subject has been described by witnesses Annell Ponder, Fannie Hamer and June Johnson as being of "short" to "medium" height (5 ft. 4 to 5 ft. 10); medium build (weight about 160 lbs.); "young" (30 to 36 years); having brown hair with a definite "crew-cut" or "flat top"; not wearing glasses; wearing a white shirt, dark pants, no gun and no badge on June 9, 1963. The victim Lawrence Guyot gives a similar description of one of the officers that beat him later on the same day (5 ft. 5 inches, 155 lbs., medium build, 25 - 27 years, dark hair with "flat top" cut, no glasses). Guyot, however, describes this person as being in the uniform of a Mississippi State Highway Patrolman at the time he was beaten. The possibility that the "crew-cut" man described by victims Hamer, Ponder and

Johnson is a member of the Mississippi Highway Safety Patrol is reinforced by the fact that the witnesses Hamer [redacted] state that a second Mississippi Highway Safety Patrol car pulled into the bus terminal at the time the victims were arrested on June 9. Additionally, Mrs. Hamer states that it was a white Mississippi Highway Safety Patrol car in which she rode to the Montgomery County Jail on June 9, together with the "crew-cut" man and Sheriff Partridge. Mrs. Hamer further states that the man with the "crew-cut" was in the company of Sheriff Partridge at the Montgomery County Jail on June 12 at a time when your agents were interviewing the victims in the jail. In addition to determining the identity of this unknown subject, the Bureau should obtain one or more photographs of him to display to the victims for identification purposes.

b6

In addition to the above two items, the following investigation is requested:

1. Interview [redacted] Bus 5208 on Run Number 1729 on June 9, 1963, regarding full details of the incident at the Winona Bus Terminal. This interview should be conducted, if necessary, in the presence of a representative of the Continental Southern Lines, Inc. In addition to details regarding the incident involving the victims, determine whether [redacted] knows by sight any state or local law enforcement officers assigned to the Winona area, whether he has seen such officers on this or other occasions at the bus terminal, whether any law enforcement vehicles were at the terminal on June 9, and what information he has regarding the "young man" who is reported by the victims to have briefly boarded the bus at Kilmichael, Louisiana and again briefly at Winona when the bus first pulled in.
2. Identify and interview, in the presence of a representative of the Continental Southern

Full details should be obtained from each driver regarding the presence of any law enforcement officers or vehicles at the terminal on June 9, as well as any incidents in the terminal area involving Negro passengers.

SAC Karl W. Dissly, Memphis, telephonically contacted the Bureau and advised that Agents of the Memphis Office were unsuccessful in their efforts to obtain desired photographs of law enforcement officers at Winona, Mississippi, today.

SAC Dissly suggested that in view of the difficult circumstances under which these photographs must be taken it is his feeling that they may be better obtained through use of the Bureau's [] camera which [] He requested permission to use this camera for this assignment and, if permission granted, that it be sent to Memphis on the next plane flight if possible.

b7E

Supervisor Edward J. McDonough, Civil Rights Section, was informed of Mr. Dissly's request and advised if the camera is available that it be forwarded immediately to Memphis.

Night Supervisor Jay Cochran, Jr., of the Laboratory advised that this camera was available and that it would be prepared for shipment immediately and thereafter transported by Bureau courier service to National Airport for shipment by air express to Memphis. It is noted that American Airlines flight 625 departs Washington National Airport at 2:25 a. m., 7-18-63, and arrive at Memphis at 4:34 a. m.

REC-10 44-22262-74

Security Clerk [] of the Memphis Office was advised to inform SAC Dissly to arrange to have the camera picked up at the Memphis Airport. He was also instructed to advise SAC Dissly that the camera was to be immediately returned upon completion of the aforementioned assignment in this matter.

EARL WAYNE PATRIDGE, ET AL.
FANNIE LOU HAMER, ET AL - VICTIMS
CR

Upon receipt of prints from photo lab and proper identification of these prints by your office, if they are found to be good likenesses of the individuals involved, the Department desires that you display them to appropriate victims for identification purposes. If photograph of Surrell has not been obtained prior to the time that the above preliminary steps are taken, you should not delay the displaying of the appropriate photographs to victims pending the obtaining of a photo of Surrell. However, you should continue efforts to obtain a photograph of Surrell for later viewing by the appropriate victims. You are already in possession of photos of Patridge, Herod and Perkins.

When photographs of possible subjects are displayed to victims, they should, of course, be shown for viewing in such a manner as to insure objective identifications if such are made by the victims.

Where identifications are made you should thoroughly interview the particular victim who makes the identification to obtain the full and current facts as to the activities and participation of the subject identified in this incident. In this connection, the Agents conducting these interviews must be fully familiar with the previous information given by the victims relative to the entire incident and the participation of the subject identified in the incident in order to resolve any possible inconsistencies which may arise.

REC-33 44-22262-81

The Department has advised that the current whereabouts of the victims possibly can be obtained through SNCC

headquarters in Greenwood, Mississippi.

Upon receipt of prints from photo lab, if they are good likenesses, proceed with investigation indicated above and complete within five days thereafter. This matter must be continuously and vigorously pursued to a logical conclusion.

Insure that when photographs are displayed that they include photographs of other individuals not connected with case and if possible that some of them have similar characteristics to that of the subject to be identified such as "crew cut" haircuts, in order that any identification made is done as objectively as possible.

NOTE: This case involves an allegation that 4 Negroes were beaten upon arrest after they entered a cafe attached to the bus terminal in Winona, Miss., on 6/9/63. Another Negro was allegedly beaten when he inquired of local authorities regarding the charges against the other Negroes. The victims have been unable to positively identify some of the participating officers, since the officers did not identify themselves and the victims descriptions of the unsubs are at variance in some degree.

Pursuant to Department's request we have obtained photographs of all but one possible subject who has been out of the area and whereabouts unknown. [REDACTED] CRD, requested 7/25/63, that we proceed with possible identifications since victims' memories may become dim.

[redacted]
Mississippi, after being advised of the identities of the interviewing Agents, was interviewed in the office of [redacted] representative for the Continental Trailways Bus Lines, Jackson, Mississippi, in the presence [redacted]

[redacted] advised that he is a driver for the Continental Trailways Bus Lines and was the driver of the bus which arrived at Winona, Mississippi, from Grenada, Mississippi, at 10:40 AM on June 9, 1963. This bus was en route to Jackson, Mississippi.

[redacted] advised that he furnished all the information he could recall in this matter on June 20, 1963. He said that he does not recall seeing any vehicles of any type law enforcement officers in or near the Winona Bus Station on June 9, 1963. He said that the only law enforcement officer which he saw at the bus station that day was an unidentified Mississippi Highway Safety Patrolman. He said he could not describe this patrolman other than that he was a white male, about average size and build, dressed in full uniform. He said he does not recall what the patrolman was doing other than walking through the station. He does not recall him doing any specific acts other than walking through the station. He does not know this patrolman's name and cannot recall having ever seen him before or since that day.

[redacted] explained that there was a different Mississippi Highway Safety Patrolman who he had on previous occasions seen at the Winona Bus Station about every two weeks up until about June 1, 1963, but he has not seen this patrolman since that time and assumes that he was transferred to another location. He said he does not believe he could identify this patrolman and never did know his name. As best he could recall this former patrolman was about 25 to 30 years of age, 5'10", 175 pounds, and about average in build.

whom [] previously indicated he saw walk up to five or six Negro women sitting at the counter in the bus station, [] said he did not know this man and cannot recall ever having seen him before or since. He said he does not recall the type clothing this man had on except it was civilian dress. He did not see any badge, cap, weapon or anything that would cause him to believe this man was a law enforcement officer. The man walked to the counter where the Negroes were sitting and spoke to them but none of his remarks could be heard. [] said he would describe this man as white male, about 5'10" to 5'11", about 50 years of age, 170 pounds and with a regular type haircut. He said he is positive this man did not have a crewcut or "flat top" haircut. He could not recall if this man had on glasses or not.

b6
b7C

[] said that after this unidentified white man spoke to the Negroes at the counter in the bus station, all the Negroes got up and walked out to the front of the bus station, on the west side of the building. He said he noticed them standing around in a group near where the buses park, but there was no indication that they were under arrest and there was no one observed near them or speaking to them further. [] said that about 5 minutes after this he went out the back side of the bus station, loaded his bus and left for Jackson, Mississippi. He did not see any further activity regarding these Negroes or any other Negroes at the bus station.

b6
b7C

[] said it was about a week later before he read in the paper where some Negroes had been arrested at the Winona bus station, and this was his first knowledge that they were arrested. [] said that none of these Negroes was known to him by name or by sight and the only Negro he recalls at the Winona bus station is [] who is about 50 years old and who has worked around the bus station for a long time.

She advised this dress was worn by her at the time she was beaten in the Winona, Mississippi, jail, on June 9, 1963. The following investigation was conducted at Winona, Mississippi, by SA JOSEPH A. CANALE and SA FRANCIS FINLEY:

On June 28, 1963, Mr. JOHN BASINGER, Mississippi Highway Patrol, was contacted. He advised that CHARLES T. PERKINS was no longer with the Mississippi Highway Patrol. He stated that he believed that he might have gone to Macon, Mississippi.

[redacted] Winona, Mississippi, advised on June 28, 1963, that CHARLES T. PERKINS was still residing at Winona, Mississippi, [redacted]

On June 28, 1963, [redacted] advised that [redacted] was not at home and might have gone to Macon, Mississippi. She stated, however, that he is still residing at Winona, Mississippi. She said that [redacted] is "not on the Highway Patrol at the moment."

AT GREENWOOD, MISSISSIPPI

On July 12, 1963, B. A. HAMMOND, City Commissioner, Greenwood, Mississippi, advised SA [REDACTED] that he was at the Montgomery Jail, Winona, Mississippi, on the afternoon of June 12, 1963. He stated he could not recall a young white male with a crewcut being at the jail with Sheriff EARL WAYNE PATRIDGE. Mr. HAMMOND advised that he was at the Sheriff's Office at Winona with the sheriff earlier on that afternoon and that the two Mississippi State Highway Patrolmen stationed at Winona were also at the Sheriff's Office at this time.

[redacted]
Mississippi, was advised of the nature of the inquiry and that any information he might furnish could be used in a court of law. [redacted] advised as follows:

b6
b7C

He is employed as a bus driver of the Continental Southern Lines of the Continental Trailways, Inc. He referred to his daily logbook and determined that on June 9, 1963, he drove bus run Number 1728. This run leaves Greenville, Mississippi, at 7 a.m.; arrives Winona, Mississippi, at 9:20 a.m.; departs Winona at 9:35 a.m.; and arrives at Columbus, Mississippi, at 11:59 a.m., where he terminates his driving of the bus at this time. His log indicates that he complied with the scheduled time on June 9, 1963.

He said that he drives this bus run about twice a week and has been doing this for the past 14 months. He explained that it was difficult for him to recall one bus run from another and does not recall any specific occurrence on June 9, 1963. He said that as far as he could recall there were no law enforcement officers present at the Winona Bus Station when he made his scheduled 15-minute stop on June 9, 1963, and can recall nothing out of the ordinary that occurred at this time.

[redacted]
Mississippi, was advised of the nature of the inquiry and that any statement made by him could be used in court. [redacted] advised as follows:

He said that he does not know the names of the officers who brought the six Negroes into the Winona Jail on Sunday morning, June 9, 1963. He explained that he had been in custody at the Winona City Jail at Winona, Mississippi, as he had been charged [redacted] and had been arrested by officers of the Winona, Mississippi, Police Department. He said that one of the officers was believed by him to be a sheriff, or he appeared to be a sheriff, as he wore a sheriff's badge. Another officer was believed by him to be a highway patrolman, as he was dressed in a highway patrolman's uniform. The other three individuals were dressed in civilian clothes but, due to their actions and activity, he took them to be law enforcement officers.

He recalls that the six Negroes told the officers that they had done nothing wrong and that the officers had no right to lock them up. The officers then opened a small jail cell door directly in front of the white section of the jail and forced about two of the Negroes into this cell. He explained that the officers did not use any type of weapon, night stick, or black jack to force the two Negroes into the cell, nor did the officers hit them with their hands. The officers only pulled or shoved them into the cell. The other four Negroes were then shoved or pushed into the cell block used for Negro prisoners. He did not at any time observe any mistreatment of the Negroes by the officers involved.

Thereafter he heard the Negroes holler and say that they did not hate anybody and that they wanted out. He also recalls that he heard some of the Negroes say they were with some kind of student committee, the name of which he does not recall. He said that he was released at about noon on Sunday, June 9, 1963, and that he estimates the Negroes were brought into the Winona City Jail at around 11:00 a.m. on that same date. He said that he did not observe any mistreatment of any Negro by any officer. Describing the officers, he

[] said that the reason he had not discussed the matter before when he was previously interviewed was that he did not want to get involved. What he did not furnish before when he was previously interviewed was that he heard an officer, the identity he does not know, tell a Negro prisoner who was already in the Negro cell block at the Winona City Jail and whom he heard the officer address by the name of "AKERS", "to go back there and whip those Negroes." He said he is not positive of the exact words used by the officer, but the words he furnished were as near to the words used by the officer as he could recall. He said he did not see the officer when he spoke these words to the Negro prisoner by the name of AKERS, but just heard the officer speak to the Negro prisoner. He explained that there were two Negro prisoners already in the Negro cell block of the Winona City Jail previous to the time that the six Negroes were brought to the jail by the five law enforcement officers. He said he did not see the other Negro prisoner but was told he was in there, by a white prisoner in the white cell block. He said that the Negro named AKERS was a prisoner who was frequently in custody at the Winona City Jail and he had an opportunity to observe him. He described him as follows:

HAMMOND ADVISED HE WAS IN WINONA ON JUNE TWELVE LAST IN AN EFFORT TO GET PATROLMAN PERKINS REINSTATED ON MHSP. HE EXPLAINED ON MAY THIRTYFIRST LAST PERKINS AND PATRIDGE WERE CHASING A WHITE MALE SPEEDER TOWARD GREENWOOD. GREENWOOD POLICE DEPARTMENT SET UP ROADBLOCK AND APPREHENDED SPEEDER. Synopsis:

JUNE ELIZABETH JOHNSON, Camp Laire, Hamburg, Conn., identified photo of EARL WAYNE PATRIDGE as person who kicked her. She identified photos of SURRELL and HEROD as two persons who transported her and other victims to and from court on morning of 6/10/63 at Winona, Mississippi. She states she is not certain but believes that photo of CHARLES THOMAS PERKINS is identical with white male dressed in dark trousers and white shirt who hit her on head one time with blackjack at the jail on 6/9/63 and who was present while she was slapped and hit by uniformed Mississippi State Highway patrolman who initially arrested her at the bus station at Winona, Mississippi. Detailed interview of JUNE JOHNSON and her relations with subjects set out.

15. EARL WAYNE PATRIDGE.

Upon viewing photograph #1 as reflected above, interviewee advised that she was not certain that she had ever seen him before. Upon viewing photograph #2 she advised that that was the man who walked her and her associates to court on Monday morning, June 10, 1963, at Winona, Mississippi, and after court, he rode back to the jail with her and other associates.

She advised that photographs #3 and #4 have no significance to her. Regarding photograph #5 which reflected faintly a picture of a man [REDACTED]

[REDACTED] interviewee advised that the man facing the camera [REDACTED] is the same person who drove her and her girlfriends back from court at Winona, Mississippi, on June 10, 1963, at which time the person reflected in photograph #2 was present.

Interviewee advised that photograph #6 is not significant to her.

Interviewee advised, upon viewing photograph #7 (PERKINS) that she is not certain but she believes this to be photograph of a white, male, about age 35, dark crewcut hair, dressed in civilian dark trousers and white shirt who was present with a uniformed Mississippi Highway Patrolman, and with EARL PATRIDGE (identified from photo #15 and not by name) when PATRIDGE knocked her off her feet by kicking her in the legs. She said that it, "looks like the guy that hit me in the head, I'm not sure". She then advised that she does not recall that this person, PERKINS, did her any bodily harm but was present when PATRIDGE and the uniformed highway patrolman cursed her as well as physically harmed her.

Regarding photograph #8, a picture of SURRELL [REDACTED] she advised that she believes that this is the same person as reflected in photograph #5 but is not sure since this picture is not clear.

Regarding photograph #9, she advised that this photograph does not remind her of anyone that she has ever met.

Upon checking photograph #10 (THOMAS J. HEROD, JR.), she advised that this is the same person as in photograph #2 and again stated that this man walked her and her friends to court at Winona, Mississippi, on the morning of June 10, 1963, and then rode back in a car with them to the jail. She again stated that this person did not curse her or assault her or threaten her. She stated that she has no knowledge of this person cursing or assaulting or threatening any of her companions who were arrested with her at Winona, Mississippi, on June 9, 1963.

Regarding photographs #11, 12, 13 and 14, interviewee advised that these photographs remind her of no one that she has seen in the past.

Upon viewing photograph #15 (EARL WAYNE PATRIDGE) interviewee advised that she knows this man as one of the persons who cursed her, kicked her, and slapped her.

Interviewee furnished the following information regarding her arrest at Winona, Mississippi, on June 9, 1963, about 10:00 AM.

She was traveling by bus from Charleston, South Carolina, to Greenwood, Mississippi, with following persons who had attended a "workshop" of the Student Non-Violent Coordinating Committee: ROSE MARY FREEMAN, FANNY LOU HAMER, ANNELL PONDER, EUVESTER SIMPSON, RUTH DAY and JAMES HAROLD WEST. She stated that the bus stopped at the Winona bus station shortly before 9:00 AM, June 6, 1963. RUTH DAY and EUVESTER SIMPSON got off the bus first and started to the white women's bathroom in the Trailways bus station and police steered them away from the bathroom telling them to go to the colored rest room. She said that at this point, she, ANNELL PONDER, ROSIE MARY FREEMAN, and JAMES HAROLD WEST then got off the same bus and all went into the snack bar for white people at the same bus station, and sat at the counter. She said that several bus drivers were sitting around a table in this section of the snack bar. One of the bus drivers got up from the table and

NH 44-137

walked towards the kitchen of the snack bar. A short time later, perhaps a minute or two, after the bus driver left the table heading towards the kitchen, a uniformed Mississippi Highway patrolman, and a man dressed in dark trousers and a white shirt wearing a holster and gun and carrying a black jack in his hand, appeared in the white snack bar. The uniformed Highway patrolman, who is not known to interviewee by name, is described by interviewee as being white, 5' 9", 170 pounds, light brown to blond short hair, 35 - 40 years old and blue eyes. There were no other uniformed Highway patrolmen involved with interviewee and interviewee's companions to her knowledge. These two men came up to ROSIE MARY FREEMAN and JAMES WEST and the man in the dark trousers and white shirt touched ROSIE MARY FREEMAN and JAMES WEST with his black jack saying to them, "Go to the other side" -- meaning the colored snack bar since he was pointing with his black jack in that direction. ANNELL PONDER and interviewee got up from the counter and joined JAMES WEST and ROSIE MARY FREEMAN in leaving the snack bar and terminal. As they approached the bus that they had alighted from, EUVESTER SIMPSON and FANNY LOU HAMER came out of the bus and asked them what had happened. They told these two what had happened and then they engaged in talking and laughing.

ANNELL PONDER then said that she was going to wait and talk with the police about why they could not eat in the white section of the snack bar at the bus terminal. A white man carrying a small baby in his arms walked over near the bus where interviewee and her companions were talking. Interviewee and her companions all agreed that they would get the license tag number of the Mississippi Highway Patrol car and interviewee feels that the white man with the baby in his arms heard them make and agree to the suggestion because he walked back into the bus terminal while interviewee and her companions, minus FANNY LOU HAMER who had gotten back into the bus, went to the vicinity of the Highway Patrol car. ANNELL PONDER took a piece of paper from her bag and started writing something behind the patrol car when the uniformed Highway Patrolman and the man with the black jack and gun dressed in civilian clothes both appeared. Both these men told interviewee and the group standing just to the rear of the Mississippi Highway Patrol car that they were all under arrest and ordered them into the car.

NH 44-137

At this point, FANNY LOU HAMER got off the bus and asked interviewee and her companions if they wanted her to go on ahead to Greenwood, Mississippi, or to remain behind and interviewee and her companions told FANNY LOU HAMER to go on to Greenwood, Mississippi. Interviewee recalled that at this point a dark brown late-model Pontiac drove up behind the Mississippi Highway Patrol car and the uniformed Highway patrolman told the driver of the dark brown Pontiac to "Get that one over there" -- pointing to FANNY LOU HAMER. Both cars then proceeded to the jail at Winona, Mississippi, arriving there about the same time.

Interviewee stated that when she and her group arrived at the jail, the uniformed Highway Patrolman unlocked the two jail doors which they had to go through in order to get into the jail, proper. When they got inside the jail, the Highway Patrolman turned to the group and asked, "What did you niggers come down here for? God damned demonstration?" Interviewee said that ANNELL PONDER answered, "no". She said that the uniformed Highway Patrolman who was sitting on a writing table on which a telephone was located, got up from the table and said to ANNELL PONDER, "Listen, nigger, don't say 'no' to me, say 'yes sir'". Interviewee said that this was said as the Highway Patrolman came up to ANNELL PONDER's face.

Interviewee stated that at this point, PATRIDGE (identified by photograph #15) came in behind interviewee and her companions and as he was passing behind EUVESTER SIMPSON, he pushed a small key, apparently on a key ring, into EUVESTER's side and EUVESTER held her side and turned to face PATRIDGE. He was walking from her at the time and he stopped and faced her and said, "Hit me if you want.". Interviewee said that at this point the uniformed Highway Patrolman asked, "Where are all you niggers from?", and each of the group under arrest furnished their respective addresses. The uniformed Highway Patrolman then took the three suitcases belonging to ANNELL PONDER, ROSIE MARY FREEMAN, and interviewee and the police all went into the corner to talk. By this time there were several other men in the jail and interviewee stated that she does not know who they were or where they came from but it appeared to her that they came into the jail while and shortly after interviewee and her companions were brought to jail.

He said that following this conference in the corner of the room by the police, PATRIDGE called to JAMES WEST and said, "Come here nigger" and, as WEST went through the door leading to a cell, PATRIDGE kicked WEST in the rear. WEST kept walking into the cell and PATRIDGE closed the door after him and then said to interviewee and her female companions, "The rest of you niggers come on" and then PATRIDGE turned to interviewee and said "Not you in the black rag." Interviewee said that at the time of her arrest, she was wearing a black head scarf. Interviewee said that her four girlfriends were put into two cells by PATRIDGE who closed the doors after them.

Interviewee said that she was taken to the office and the uniformed Highway Patrolman asked her if she was a member of the "NAACP" and interviewee answered, "Yes sir" and the uniformed Highway Patrolman then slapped her in the mouth and she fell over some equipment described to her as a whiskey still. The uniformed Highway Patrolman, according to interviewee, shouted at her telling her "to get up and get off that God Dammed floor." She said that she got up but did not cry. She said that there was a white man dressed in dark trousers and white shirt, not wearing a gun, but carrying a black leather blackjack in his hand, who was present at this time when she was slapped in the face. This civilian had a crewcut haircut and was about 5' 10" tall and about 30 years old. Interviewee said that this person was not at the bus station when she and her companions were arrested. She believes this person to be identical to photograph of CHARLES THOMAS PERKINS, photograph # 7, which interviewee observed at the start of this interview. Interviewee said that she did not know the names of any of the white men. She said that when she got up after having been slapped in the mouth by the Highway Patrolman in uniform, the civilian with the blackjack said, "We ought to kill her," and then the uniformed Highway Patrolman pushed her and when he did, the civilian with the blackjack struck her on the head with the blackjack which she described as short with black leather binding. Interviewee looked at photograph # 7 again at this point and said that she believes that it was this person who struck her with the blackjack. She said that she is not certain but feels sure. She said that it is her recollection that the civilian's hair was not quite as dark as reflected in photograph # 7.

She first said that PERKINS did not harm her but recalls that he did hit her with his blackjack once on her head as described. She said that the uniformed Highway Patrolman then asked her if she was given money by the Student Non-Violent Coordinating Committee and she stated that she said, "No" and he slapped her in the face with his open hand and said, "Don't lie to me." She said at this point that PATRIDGE (by photo and not name), PERKINS and the uniformed Highway Patrolman were present during this time and at the point when she answered, "No" to the question as to whether or not she had been paid any money by SNCC, the three men "came right up to her face" and PATRIDGE (by photo and not name) said that she was lying and kicked her off her feet by kicking her in the legs twice. She said that when she fell to the floor on this occasion, she put her hands and arms up to her head. She could not see any one at this point but some one kicked her in the back and she yelled to the three men "to go ahead and kill me." She said that someone tore her dress in the rear near the waist and also under one of her arms at this time.

She said that she got up from the floor and the uniformed Highway Patrolman asked her who her leader was and she told him that she had no leader. She said that the uniformed Highway Patrolman struck her on the jaw and chin with his fist at this time and that her chin was swollen and she got a cut just below the center of her lower lip. She said that the Highway Patrolman in uniform kept saying that ANNELL PONDER was the leader and he then said to put her in the cell. As she was leaving for the cell, the Highway Patrolman in uniform kicked her in the rear. She was led to the cell where ANNELL PONDER was. She said that the three men were present when the Highway Patrolman in uniform asked her how long she had worked with the Student Non-Violent Coordinating Committee and she told him that she worked six months on this Committee. HETHIEN asked her how she and her friends manage to make their grades in school and she said that she told him that she attended meetings after school hours. She said that after this discussion in her cell, the Highway Patrolman told her to wash out her dress. She said at this time that her dress had blood on the front of it.

Another civilian, identified by photograph as WILLIAM SURRELL (photograph # 5) was present in the cell at this time and told interviewee not to remove her dress to wash same until he and the other men had left the cell. Interviewee at this point stated that SURRELL did not do or say anything unkindly to her during her contact with him. She said that she washed out her dress on Sunday, June 9, 1963, at the jail as she was instructed to do. She said that she had on a slip which also had blood on it and she did not wash this garment out until Tuesday, June 11, 1963, while in Jail.

Interviewee stated that after her having been put in a cell, ANNELL PONDER was taken from the same cell leaving her with ROSIE MARY FREEMAN as a cellmate and the cell next to hers was occupied by EUVESTER SIMPSON and FANNIE LOU HAMER. She said that following ANNELL PONDER's going to the office, EUVESTER SIMPSON and FANNY LOU HAMER were taken from their cell to the office. She said that she heard her companions being shouted at in the office but she does not know who was doing the shouting. She recalled that one of the men in the office said "You are trying to do like this nigger at Ole Miss - we do not want to eat with you - we do not want out children at school with you. Why can't you go to your own places." She said that she heard EUVESTER SIMPSON talk back and someone of the men in the office told her to be quiet.

She said that FANNY LOU HAMER, who has been crippled through infantile paralysis, was called out of her cell, and she heard her "holler." She said that FANNY LOU HAMER told her upon her return to her cell that the police did not beat her or harm her but that some negroes did hurt her. She said that she noticed that FANNY LOU HAMER's hair was "messed up" and her eyes were blood shot when she returned to her cell and further that FANNY LOU HAMER said that her hips were sore.

JUNE ELIZABETH JOHNSON added that EUVESTER SIMPSON was called into the office and when she returned to her cell, she told interviewee and her companions that she had not

been beaten and that the Highway Patrolman told her that she looked like she had white blood in her.

Interviewee stated that this activity as described took place within an hour and a half of their having been arrested at Winona Bus Terminal.

She said that after the men got through questioning her and her companions, a negro man with a mop and bucket, called [] by the police officers, came to her cell and asked her if there was any blood on the floor of the cell and she told him that there was no blood on the floor. She said that she asked this colored man if she could make a telephone call and he told her to ask one of the officers.

b6
b7C

Interviewee advised that for the remainder of Sunday afternoon, June 9, 1963, she and her companions were not interviewed. She said that about 5:00PM they were brought food. She said that on the following morning, she asked a jailer, a white, tall man with glasses, if she could make a telephone call and he said that she could as long as she called collect. Interviewee said that ROSIE MARY FREEMAN made a telephone call from the jail.

JUNE ELIZABETH JOHNSON stated that on Monday morning, June 10, 1963, she and her companions, minus FANNY LOU HAMER, who rode in a car, were walked to court by HEROD, whom she identified by photograph, while SURRELL drove FANNY LOU HAMER. She said that after court, all rode back to the jail in the car driven by SURRELL.

Interviewee advised that late Monday night, June 10, 1963, or early morning June 11, 1963, the same uniformed Highway Patrolman and PATRIDGE (by photo and not name) got interviewee and her companions and took a group picture of them and then photographed them separately. She said that ROSIE MARY FREEMAN went in first to be photographed alone and that when she returned to her cell, she told interviewee that the officers wanted a statement from her. She said that she went into the office and the uniformed Highway Patrolman and PATRIDGE asked her if she could write. The Highway Patrolman handed her a pencil and paper and told

her to write out a statement to the effect that everybody was treated all right and that nobody was hurt and further that the statement was to be given of her own free will. She said that she was told that she could write whatever else she wished and that she started to write something having been mistreated and the Highway Patrolman told her to erase it. She said that she was going to write about being mistreated. She was asked what she erased and she said that she had not gotten around to writing only a couple words which she could not recall.

Interviewee was asked specifically after she related the above if she knew any of the men by name and she advised that she does not and did not. She said that she could identify the uniformed Highway Patrolman referred to if she saw him again. She said that she knows it was a Mississippi Highway Patrolman because she noted his uniform and also noted the emblem on the vehicle that he was driving at the time of her arrest.

She stated that she was hit and kicked by the Highway Patrolman in uniform as described and that she was kicked by PATRIDGE as described. She said that she believes PERKINS, dressed in civilian clothes, struck her on the head with his blackjack. She said that she could not be certain from the photograph # 7 shown to her if it was PERKINS, but she feels that it was. She stated that SURRELL and HEROD did not harm her or her associates, to her knowledge.

Interviewee said that WILLIAM SURRELL (identified by photograph # 5) was in a police uniform on Sunday afternoon, June 9, 1963, at the jail at Winona, Mississippi, and recalled that on one occasion, SURRELL came to the cells with the uniformed Highway Patrolman who had grasped ROSIE MARY FREEMAN's dress by the front near the collar and pushed her towards the cell wall, stating that she needed her "ass whipped." He also asked her if she was going to go to another white lunch counter.

Regarding her appearance in court at Winona, Mississippi, on June 10, 1963, JUNE JOHNSON stated that when she told the judge that she was 15 years old, he told her that she would be released and that she should contact her mother or

parents. She said that when she got back to jail, she called her mother and told her that she was going to stay in jail with her companions until her companions were released though she understood that she could be released to her parents. She said that her mother said that this would be all right. She advised that this was how she happened to stay in jail after Monday, June 10, 1963.

Regarding telephone calls made outside by her, she stated that she only called her mother but she did request her cellmate, ROSIE MARY FREEMAN, to call LAWRENCE GUYOT or [redacted] Greenwood, Mississippi, to advise them of their arrest. She said that ROSIE MARY FREEMAN was apparently permitted to make this call because she reported back to interviewee that one [redacted] answered the telephone and told ROSIE MARY FREEMAN that GUYOT had left late Sunday night for Winona, Mississippi, to see interviewee and her companions. She advised that as of this time, Monday morning, June 10, 1963, they had not seen or heard from GUYOT.

The Bureau's attention is called to the fact that the department requested a photograph of Patrolman ALDEN STIDHEM be obtained along with photographs of subjects PATRIDGE and SURRELL. On 7/18/63 SA's [REDACTED], and JAMES M. STOCKTON, using the pretext of attempting to locate a Bureau fugitive, contacted ALDEN STIDHEM. The Agents attempted to obtain a photograph of STIDHAM by using the [REDACTED] camera. Due to malfunction of the camera, however, no suitable photograph was obtained. Prior and subsequent investigation has identified the 5 subjects involved in this case and that investigation has failed to indicate STIDHAM was present during the arrest of any of these victims or that he was present during the time any of the victims were beaten. When contacted by Agents, STIDHEM has been very belligerent, uncooperative, and refused to furnish the Agents with any information. In view of the above facts no further efforts will be made to obtain a photograph of STIDHEM UACB.

Victim FREEMAN identified Chief of Police HEROD and a patrolman of the MHSP as arresting officers. She identified Sheriff PATRIDGE and made a possible identification of SURRELL as being at Montgomery County Jail immediately after her arrest. Victim WEST identified photograph of HEROD as the officer who informed victims to leave Staley's Cafe and as one of the arresting officers along with a patrolman of the MHSP who resembled the photograph of PERKINS. Victim SIMPSON stated she and other victims were arrested by a patrolman of the MHSP whose photograph was not in the group exhibited to her.

She identified photograph of HEROD as being at jail immediately after her arrest. SIMPSON believes PATRIDGE was at jail after arrest but could not make positive identification. She believes that PATRIDGE "poked" her in the side with some keys at the jail. Victim HAMER identified photograph of PATRIDGE as officer who arrested her and as person who kicked her as she was entering automobile immediately after arrest. She identified photograph of PERKINS as possibly the person with Sheriff PATRIDGE at this time as one of the individuals present during part of her beating and as the person who hit her in the head. She identified the photograph of SURRELL as looking similar to a person who was at the Montgomery County Jail immediately after her arrest, the officer who took her to court 2 days after arrest, and as one of the persons present during her beating. She identified BASINGER by name as the person who gave the black-jack to the Negro prisoner who beat her and as one of the persons present during part of her beating. Victim GUYOT identified BASINGER by name as the officer that knocked him down just prior to arrest and as the officer that arrested him. GUYOT identified photograph of PATRIDGE as being individual who questioned him along with BASINGER. He identified BASINGER and PERKINS as 2 of the officers that beat him but could not make a positive identification of the third officer. Victim PONDER identified photograph of PATRIDGE as arresting officer and identified BASINGER by name as being with PATRIDGE at the time of arrest. She identified photograph of PERKINS as individual with crewcut and dressed in civilian clothes, as person who first hit her, and one that took part in her beating. She said the photograph of SURRELL resembled the officer in the blue uniform who took part in her beating. She identified BASINGER by name as one of the officers that beat her and identified photograph of PATRIDGE as officer that kicked her.

ROSIE MARY FREEMAN was interviewed at [redacted]
[redacted] Greenwood, Mississippi, and immediately
advised of the identities of the interviewing Agents as
well as the nature of instant investigation. She was ad-
vised she did not have to furnish any information and any
information she furnished may be used in a court of law.

She stated she is [redacted]
and resides in the community of [redacted] but
has a mailing address of [redacted]
[redacted]

Photographs of subjects PATRIDGE, HEROD, PERKINS,
and SURRELL, along with other photographs, were exhibited
to Miss FREEMAN.

Miss FREEMAN identified the photograph of Chief
of Police HEROD as one of the officers that was in Staley's
Cafe when she and the other victims first entered the cafe.
She said she does not know HEROD's title or position and
pointed out that at the time she entered the cafe, she re-
calls he had on a white shirt. She advised that there was
another officer with HEROD at the time and stated that she
did not see the photograph of this officer in the group of
photographs exhibited to her. She identified the photograph
of Chief of Police HEROD as the officer that touched her on
the back and said, "The colored cafe is on the other side."
She identified HEROD's photograph as the officer that in-
formed her and the other victims that they were under arrest.

Miss FREEMAN pointed out that, although she does
not see the photograph of the officer that was with Chief
of Police HEROD at this time, she knows that he was a patrol-
man on the Mississippi Highway Safety Patrol (MHSP). She
said he was dressed in uniform at the time. She advised
that she and victims WEST, PONDER, SIMPSON, and JOHNSON were
put into a patrol car of the MHSP and that the patrolman
drove this vehicle and was accompanied by an individual whose
photograph she stated was identical with HEROD. Miss FREEMAN
said these are the only two officers she saw at the Conti-
nental Trailways Bus Station on the day of her arrest. She

said she believed she saw another car which she identified as a police car at the bus station and was of the opinion it was black and had "Police" printed on the side. She did not see anyone in this vehicle. She pointed out that she did not see the person the patrolman was talking to when he shouted out instructions to arrest Mrs. HAMER.

Miss FREEMAN said after she arrived at the Montgomery County Jail there were five or six men in the front room of this jail. She identified the photograph of Sheriff PATRIDGE as one of these individuals, however, she did not know his position. She identified the photograph of SURRELL as resembling one of the men present, but she could not be positive and does not recall how the person she believes identical with SURRELL was dressed at the time. She said that the jailer of the Montgomery County Jail, name unknown, was also present but stated she did not recognize him in any of the pictures exhibited to her.

Miss FREEMAN continued by advising that she cannot identify any other individuals from the photographs exhibited to her as being at the jail immediately after her arrest. She said she does not recall seeing but one patrolman of the MHSP. She advised that she cannot identify the officers that cursed her and the other victims and does not remember which officer put her and victim PONDER in the cell. She pointed out that when JUNE JOHNSON was brought back to her cell, after she heard noises indicating that JOHNSON had been whipped, she believes JOHNSON was accompanied by the patrolman of the MHSP. She reiterated that she did not recognize the photograph of this individual as being in the group exhibited to her. She said she believes this same patrolman was the officer that took victim PONDER out of her cell. FREEMAN said she was questioned by the highway patrolman and identified the photograph of SURRELL as being the individual possibly with the patrolman at the time. She could not identify any other officers being present at this time. She pointed out she did not see the officers who took

Mrs. HAMER out of her cell and did not see the officer when Mrs. HAMER was returned to her cell. Miss FREEMAN stated that none of the officers, with the exception of the individual identified as a patrolman of the MHSP, mistreated her, and she stated she did not personally witness any of the officers mistreating or physically abusing any of the other victims.

JAMES HAROLD WEST, [REDACTED] was advised of the nature of this investigation, the identity of the interviewing agents, and that any statement made could be used in a court of law. At this time WEST viewed an assemblage of photographs which included photographs of EARL WAYNE PATRIDGE, THOMAS J. HEROD, CHARLES T. PERKINS, and WILLIAM SURRELL. WEST furnished the following information in regard to events which transpired on June 9, 1963, at Winona Bus Station and the Montgomery County Jail:

b6
b7C

He believes that the photograph of CHARLES T. PERKINS looks something like the Mississippi Highway Safety Patrolman whom he saw at the Winona Bus Station; however, he is not very sure if this is the same individual or not. The most he can say is that there is a resemblance between the photograph and this individual.

He identified the photograph of THOMAS J. HEROD as being the officer who told his companions and him to leave the Bus Station Cafe.

He does not know the identity of the officer who arrested Mrs. HAMER at the Bus Station inasmuch as the only time he saw this individual at the Bus Station, the officer's back was turned toward him. He did observe that this officer was driving a brown 1960 or 1961 Pontiac sedan and had a "whip" antenna attached to it. He did not observe any markings on this automobile. He stated that if he ever saw again the officer who arrested Mrs. HAMER, he would not recognize him.

The highway patrolman drove the highway patrol car in which he, PONDER, FREEMAN, SIMPSON, and JOHNSON were transported to the Montgomery County Jail. He identified the photograph of HEROD as the individual who rode in the front seat of the highway patrol car to the Jail. He said that he does not know this individual (HEROD) by name but he later found out that he was the Chief of Police of Winona.

When they arrived at the Jail, there were only four white men present, as he recalls. There were the highway patrolman, the Chief of Police, and a man wearing civilian clothes whom he believes to have been the jailer; however, he cannot recall what this individual looked like well enough to describe him. He believes that the person who arrested Mrs. HAMER was also there but he cannot recall for certain.

It was the highway patrolman who ordered the two Negro prisoners to whip him. He has recalled that the first name of the 23 year old prisoner who whipped him was [REDACTED]. He cannot recall his last name. The 40 year old prisoner who whipped him goes by the name [REDACTED]

b6
b7C

He identified the photograph of EARL WAYNE PATRIDGE as one of the individuals who was present at the court house when he signed the statement regarding his arrest. He does not recall seeing PATRIDGE at the jail before, while, or immediately after he was being whipped.

He stated that he cannot identify by name any of the individuals whose photographs he selected. He said that none of the other individuals depicted in the photographs were at the jail during the time he and his friends were being mistreated, to the best of his recollection. However, he selected photographs of Special Agents [REDACTED] [REDACTED] as looking familiar to him. He said that he believes that he saw these two individuals at the court house when he signed the statement.

WEST stated that he had not actually seen anyone other than himself being mistreated at the jail. However, he did hear the girls hollering on different occasions.

EUVESTER SIMPSON was interviewed at the Student Non-Violent Coordinating Committee (SNCC) headquarters, 901½ Nelson Street, Greenville, Mississippi, and immediately advised of the identities of the interviewing Agents as well as the nature of instant investigation. EUVESTER SIMPSON stated she is presently working at the SNCC headquarters, Greenville, Mississippi, but still resides [REDACTED]

Photographs of subjects PATRIDGE, HEROD, PERKINS, and SURRELL, along with other photographs, were exhibited to Miss SIMPSON.

Miss SIMPSON advised that when she and RUTH DAYS first entered the Continental Trailways Bus Station, she saw a police officer whom she believes was a patrolman of the Mississippi Highway Safety Patrol (MHSP). She said she does not recognize the photograph of this individual as being in the group of photographs exhibited to her. She said this is the officer that told her and DAYS, "Keep straight on through." She related that at this time she did not see any other police officer in the bus station. Miss SIMPSON related she and victims PONDER, JOHNSON, WEST, and FREEMAN were placed under arrest by the patrolman she had previously seen in the bus station. She advised that they were then asked to get into a patrol car of the MHSP at which time the patrolman got in the car as the driver, accompanied by a second officer. Miss SIMPSON related she does not recognize the photograph of the second officer in the group exhibited to her and said she could not describe him. Miss SIMPSON recalled that shortly thereafter the patrolman called to another officer and requested that he arrest Mrs. HAMER. SIMPSON said the officer was in a light colored car, and she was of the opinion he was alone. She said she did not see him well enough to identify him by photograph and could not describe him.

Miss SIMPSON related after she arrived at the Montgomery County Jail there were four or five white men in the room in which she was taken. She identified the photograph of Chief of Police HEROD as being in this room at the time. She picked out the photograph of Sheriff PATRIDGE and said she believes that he was present at the time, however, she could not be positive. Miss SIMPSON said she does not know PATRIDGE's position or title. She was of the opinion, however, that PATRIDGE had on glasses at that time. SIMPSON said she believes he was the officer that "poked" her in the side with some keys. She also identified PATRIDGE as possibly the officer that told her to get out of his way. She said the jailer, name unknown, of the Montgomery County Jail was also present but stated she does not see or recognize his photograph in the group exhibited to her. She identified the photograph of SURRELL as being at the jail just after she arrived but stated she does not know how he was dressed at that time. She said she recalls seeing SURRELL at a later time when he was dressed in a blue uniform. Miss SIMPSON identified the photograph of Sheriff PATRIDGE as one of the officers that called her and the victims "Niggers" and one of the individuals that was cursing them. She identified the officer known to her as the patrolman of the MHSP as the other officer that cursed them. Miss SIMPSON recalled only one person whom she identified as a patrolman with the MHSP.

Miss SIMPSON continued by advising she could not identify the officers that questioned victim JOHNSON inasmuch as she did not see them. She was of the opinion that it is the patrolman of the MHSP that brought JOHNSON back to the cell after being questioned and possibly whipped and as the person that asked victim FREEMAN where she had been just prior to her arrest. She could not identify the officer that took ANNELL PONDER out of the cell and said she cannot identify the officers that questioned PONDER, since she did not see them. She could not identify the officers that brought PONDER back to the cell after being questioned and possibly whipped.

Miss SIMPSON related that when the patrolman from the MHSP came to her cell, there were two other officers with him. She identified the photograph of SURRELL as being one of those officers but stated she could not identify the third officer. She said SURRELL and the patrolman of the MHSP questioned her at this time. She could not identify the photographs of any of the officers that took HAMER out of her cell and said inasmuch as she did not see the officers beat HAMER, she cannot identify them. Miss SIMPSON went on to explain that she cannot identify by photograph the officer that took her out of her cell to another cell at the Montgomery County Jail where there was a Negro prisoner present. She said she was positive that it was not the patrolman of the MHSP and did not believe it was SURRELL. She further advised that she does not believe that it is the Chief of Police or Sheriff PATRIDGE. She said she is doubtful whether or not she could identify this person. She pointed out that this individual was the only officer present when she was told to lie down on the bunk in the cell. Miss SIMPSON pointed out that none of the officers actually abused her except the individual she has identified as the one that punched her with some keys. She advised she did not personally witness any of these officers abusing or mistreating any of the other victims.

FANNY LOU HAMER, Ruleville, Mississippi, was advised of the nature of this investigation, the identity of the interviewing agents, and that any statement made could be used in a court of law. At this time Mrs. HAMER viewed an assemblage of photographs which included photographs of EARL WAYNE PATRIDGE, THOMAS J. HEROD, CHARLES T. PERKINS, and WILLIAM SURRELL. Mrs. HAMER furnished the following information in regard to events which transpired on June 9, 1963, at the Winona Bus Station and the Montgomery County Jail:

She did not get a good enough look at the Winona police officer and the Mississippi Highway Patrolman who arrested her associates to be able to identify these officers. She identified the photograph of EARL WAYNE PATRIDGE as the individual who arrested her at the Bus Station. She said that this photograph depicts the individual known to her as Sheriff EARL WAYNE PATRIDGE. After PATRIDGE arrested her, he put her in the back seat of his car and as he was doing so, he kicked or kneed her. He also said something to her that she does not recall.

The white male, previously described as unknown subject # 2, who rode in the car to the jail with the sheriff and her, somewhat favors the photograph of CHARLES T. PERKINS. As she recalls, unknown subject # 2 had a crew hair cut but she cannot positively identify the photograph of PERKINS as being unknown subject # 2. She said that the photograph bears a strong resemblance to unknown subject # 2. She said that it was unknown subject # 2 who hit her in the face a couple of times with his fist during the course of her beating.

Included in the group of white officers present at the County Jail was [redacted] She knows [redacted] by name and sight but she advised his picture is not present in this group of photographs.

Also present at the jail was an individual previously identified as unknown subject # 3, a Mississippi Highway Patrolman, who is known to her by the name of BASINGER. She recalled seeing

this officer's name plate. She stated she does not see his picture in this group of photographs; however, she thinks that the photograph of Special Agent [redacted] somewhat favors BASINGER.

b6
b7C

Also present at the jail was an individual previously described as unknown subject # 4. Mrs. HAMER selected the photograph of WILLIAM SURRELL as possibly being identical with this individual. She said that the photograph is similar to unknown subject # 4; however, she cannot positively identify him. She believes that she could identify unknown subject # 4 if she should ever see him again in person.

She identified the photograph of THOMAS J. HEROD as being the person known to her as the Chief of Police. She also indicated that she knew that his name was HEROD. She stated that she recognized the photograph of HEROD as being the person whom she asked for ice water while confined at the jail after the beating. She cannot recall if HEROD was present during the time of her beating.

She identified BASINGER by name as the individual who gave a black jack to one of two Negro prisoners and ordered them to beat her.

As she previously stated, BASINGER and unknown subjects # 2 and # 4 were present when she was being beaten by the Negro prisoners. She does not believe that there was any other officer present at this time.

It was BASINGER who took the photographs of the members of her group on the night of June 10, 1963. On the morning of June 11, 1963, the group was taken out of jail in order to appear in court. The other members of her group walked to the court house while she rode in a police car to the court house. The car was driven by unknown subject # 4. He asked her if she had ever seen him before and she told him that she had not seen him before. It was at this time that he told her his name and, as she recalls, his name was [redacted] but she cannot be certain. Mrs. HAMER stated that when her group was first brought to the jail, she recalls seeing the officer now known to her [redacted] stomp on JAMES WEST's feet.

On August 1, 1963, [redacted] Mississippi State Penitentiary, Parchman, Mississippi, advised, although victim GUYOT is at the Mississippi State Penitentiary, he is still technically in custody of Leflore County authorities. [redacted] stated the facilities in which GUYOT is presently being retained at Parchman are being loaned to Leflore County by State authorities. He said inasmuch as GUYOT is not a State prisoner, he could not make GUYOT available for interview unless he had a letter from the District Attorney, Leflore County, authorizing him to do so.

On August 1, 1963, Mr. PARHAM WILLIAMS, District Attorney for Leflore County, Lexington, Mississippi, advised victim GUYOT is not under his control inasmuch as GUYOT was not convicted in a Mississippi State Circuit Court. Mr. WILLIAMS pointed out that GUYOT was convicted in a Justice of the Peace Court, therefore, is under the care and custody of Sheriff JOHN ED COTHRAN, Leflore County, Mississippi.

On August 2, 1963, Sheriff JOHN ED COTHRAN, Leflore County, Greenwood, Mississippi, advised he has no objection whatsoever to Agents of the FBI interviewing victim GUYOT at the Mississippi State Penitentiary. Sheriff COTHRAN furnished the Agents a letter authorizing [redacted] to make GUYOT available for interview.

Date August 7, 1963

LAWRENCE THOMAS GUYOT, JR., was interviewed at the Mississippi State Penitentiary, Parchman, and immediately advised of the identities of the interviewing Agents as well as the nature of instant investigation. He was advised he did not have to furnish any information and any information he furnished may be used in a court of law.

Photographs of Sheriff PATRIDGE, Chief of Police HEROD, Patrolman PERKINS, and Patrolman SURRELL, along with other photographs, were exhibited to GUYOT.

GUYOT stated that he does not recognize the photograph of the officer whom he first contacted on June 9, 1963. He pointed out that this officer was sitting in a patrol car parked in front of the Montgomery County Courthouse but said he does not know his identity other than he was believed to be a Winona city patrolman. He said he then went to the Montgomery County Jail and talked to the jailer, name unknown. He said he does not recognize the photograph of this individual as being in the group of photographs exhibited to him.

He said he returned to the courthouse and contacted the Chief of Police. He identified the photograph of HEROD as being the Chief of Police and as the person contacted. GUYOT also identified the photograph of Sheriff PATRIDGE and the photograph of Patrolman PERKINS as being in the Sheriff's office at the time. He said he knows that PATRIDGE is the Sheriff and further stated that PERKINS was in a uniform of the MHSP. He advised that Patrolman BASINGER of the MHSP was also present but said he does not recognize BASINGER's photograph as being in the group exhibited to him. GUYOT said he knows that this individual's name is BASINGER inasmuch as he saw his name plate on his MHSP uniform.

He further related that there was also an officer whom he believes to be a patrolman of the Winona Police Department. GUYOT did not recognize the photograph of this individual in the group exhibited to him but stated that the officer was in uniform and about twenty-five years old, six feet tall, 150 to 160 pounds, color of hair and eyes unknown.

On 8/2/63 at Parchman, Mississippi File # ME 44-1063
by LAWRENCE J. OLSON, SR. and
SA's ORVILLE V. JOHNSON:nmr Date dictated 8/6/63

He said from the conversations he had with this individual he believes that this officer is well education and well informed.

GUYOT said that the jailer of the Montgomery County Jail was also present but he could not identify him by name and did not recognize his photograph if it was included in the group exhibited to him. GUYOT pointed out that there was possibly another officer from the Winona Police Department present at that time, but he said he could furnish no further description of this individual.

GUYOT stated after entering the Sheriff's office he merely inquired about the charges and the amount of bail for the individuals previously arrested. He identified the photograph of Sheriff PATRIDGE as being the person who told him to leave town. He said he walked out in front of the Montgomery County Courthouse and after being outside was contacted by BASINGER. He identified BASINGER as the officer that struck him and knocked him down. He pointed out that

who are presently on the Leflore County Farm, saw BASINGER hit him and knock him down. He said he identified BASINGER as the person who placed him under arrest and stated BASINGER was accompanied at the time by the jailer, name unknown.

GUYOT said after he returned to the Sheriff's office he was questioned by Sheriff PATRIDGE, Patrolman PERKINS, and Patrolman BASINGER. He identified photographs of PATRIDGE and PERKINS. He stated he was beaten by BASINGER, PERKINS, and the officer whom he previously described as being with the Winona Police Department and who was approximately twenty-five years old. GUYOT identified the photograph of PERKINS as one of the officers that beat him. He said PERKINS and BASINGER had slapjacks. He said the twenty-five year old officer kicked him when he was on the floor and was the one who took out his pistol and clicked it two times, at which time the pistol was pointed not directly at him but in his general direction.

b6
b7C

GUYOT identified BASINGER and PERKINS as the officers that told him to lie down on the floor and to take his pants down. He said these two officers then instructed him to write on a letter "in the car" and sign his name to that. GUYOT pointed out that the officers wanted this to make handwriting comparisons of a letter which they found on his person. He pointed out that during the time he was being beaten the other officers previously identified were present but did not take any active part in that beating.

GUYOT continued by identifying the photograph of Chief of Police HEROD as one of the officers that took him to Carrollton, Mississippi, after his arrest. GUYOT stated that the officer previously described as the twenty-five year old officer also accompanied him. GUYOT stated that he does not recognize a photograph of the individual that contacted him at the Carrollton County Jail and said he was with the FBI. He pointed out he was only in the Carrollton County Jail from approximately 3:00 to 6:00 P.M. when he was transported back to Winona, Mississippi, by the Chief of Police and an elderly, gravel-voiced officer. He further described this officer as being about fifty years old, five feet four inches tall, 200 pounds, fat, large stomach, color of hair and eyes unknown.

GUYOT further related that on Monday evening after his arrest at approximately 4:45 P.M. Patrolman BASINGER and Chief of Police HEROD took him to the Sheriff's office in the Montgomery County Courthouse. He identified the photograph of Sheriff PATRIDGE as being present in his office at that time. He said BASINGER, HEROD, and PATRIDGE tried to get him to sign a statement to the effect that he had come to Winona, Mississippi, on June 9, 1963, and that he had trouble with the law but that he had received his bruises when he fell out of his car. He stated that BASINGER hit him once or twice during this time with his fists. GUYOT identified the photograph of Sheriff PATRIDGE as the individual he asked to see a doctor. He identified the photograph of Chief of Police HEROD as the officer who talked to him about that time about dropping the charges against him if he signed the statement. He identified the photograph

of Sheriff PATRIDGE as the officer that kicked him on the flank and said, "You have just earned yourself a long trip to Whitfield and Parchman." He identified the officers that took him back to jail on this occasion as being Chief of Police HEROD and possibly another city officer whom he could not further describe.

GUYOT continued by advising that on June 10, 1963, he was examined [redacted] He then identified Sheriff PATRIDGE as being the officer in front of the jail, at which time there were approximately twenty-five white men present. He said that Sheriff PATRIDGE questioned him, such as, "Where were you born" and "What is your name." He said he was then taken back into the jail at which time he was photographed by Sheriff PATRIDGE, BASINGER, and Chief of Police HEROD.

Mr. B. A. HAMMOND, Commissioner of Police, Greenwood, Mississippi, advised he was in Winona, Mississippi, on June 12, 1963, in an effort to get Patrolman PERKINS of the Mississippi Highway Safety Patrol (MHSP) reinstated. Mr. HAMMOND advised that during the time he was in Winona, Mississippi, on this date he contacted Patrolman PERKINS and Sheriff PATRIDGE, and possibly saw another Highway Patrolman but cannot be sure. He explained that he does not know the identity of any other Highway Patrolmen stationed at Winona and said if he saw another patrolman, it did not make an impression well enough to remember. He pointed out that he also saw SA's ORVILLE V. JOHNSON, LAWRENCE J. OLSON, SR., TIMOTHY M. CASEY, JR., [] at the Montgomery County Jail on this occasion.

b6
b7C

HAMMOND explained that on May 31, 1963, Patrolman PERKINS, accompanied by Sheriff PATRIDGE, was chasing a white male speeding toward Greenwood. He said PERKINS was not able to overtake this individual, so he requested that the Greenwood Police Department set up a roadblock. A roadblock was set up and the speeder apprehended. According to HAMMOND, when PERKINS arrived at the scene of arrest, the speeder was being detained by a Greenwood patrolman. HAMMOND said PERKINS hit the speeder, causing the speeder's head to hit the nose of the Greenwood police officer. This blow broke the police officer's nose. According to HAMMOND, PERKINS was immediately fired by Colonel T. B. BIRDSONG, Commissioner of Public Safety, but this was later changed to an indefinite suspension.

HAMMOND reiterated that he was in Winona on June 12, 1963, on behalf of PERKINS and that he attempted to telephonically contact Colonel BIRDSONG but could not reach him and had to talk to an officer in BIRDSONG's office. HAMMOND said that PERKINS on that occasion was dressed in civilian clothes, inasmuch as he was on an indefinite suspension. He pointed out that PERKINS had been on an indefinite suspension since shortly after May 31, 1963, and is believed to be at the present time at his home in Macon, Mississippi.

Miss ANNELL PONDER, 25 Burbank Drive Southwest, Apt. 3, Atlanta, Georgia, was advised of the nature of this investigation, the identity of the interviewing agents, and that any statement made could be used in a court of law. At this time Miss PONDER viewed an assemblage of photographs which included photographs of EARL WAYNE PATRIDGE, THOMAS J. HEROD, CHARLES T. PERKINS, and WILLIAM SURRELL. Miss PONDER furnished the following information in regard to events which transpired on June 9, 1963, at the Winona Bus Station and the Montgomery County Jail:

The Mississippi Highway Patrolman who was at the Winona Bus Station had a metal name tag on his shirt which bore the name BASINGER. She selected the photographs of WILLIAM SURRELL as looking somewhat similar to BASINGER. However, she stated that she is not certain if the individual depicted in the photographs is actually BASINGER. She said that there is a resemblance between this individual and BASINGER.

She selected a photograph of EARL WAYNE PATRIDGE as being the individual known to her as the Chief of Police who was also present at the Bus Station. She said that she does not know the Chief of Police by name but she is quite certain that the photograph of this individual (PATRIDGE) is the Chief of Police.

As she recalls, it was the Chief of Police (PATRIDGE) who placed them under arrest and told them to get into the patrol car. She does not see in this group of photographs a photograph of the individual who arrested Mrs. HAMER. She selected the photographs of THOMAS J. HEROD and CHARLES T. PERKINS as also being present at the jail when BASINGER and the Chief of Police (PATRIDGE) arrived there with her group of friends. She believes that PERKINS was riding in the car that drove Mrs. HAMER to jail. She said that the photograph of PERKINS depicted the individual whom she previously described as having a crew hair cut. She does not know this individual by name.

On 8/5/63 at Greenwood, Mississippi File # ME 44-1063

by SA ORVILLE V. JOHNSON and
SA LAWRENCE J. OLSON, SR., :wp Date dictated 8/6/63

In regard to the photograph of HEROD, she stated that she does not know this individual by name; however, she thinks that he is the local sheriff.

There was also an officer wearing a blue uniform at the jail at that time. She selected the photographs of WILLIAM SURRELL as looking somewhat similar to this individual. She stated that she cannot make a positive identification from these pictures. She does not know the name of this officer.

The individual previously described as having a crew hair cut (PERKINS) was the first person to strike her. She stated she clearly recognizes his photograph. The blue uniform officer struck her second and it was he who asked her if she had enough respect to say "Yes Sir" to him. When the blue uniform officer first struck her, she raised her hands to protect her face and the officer hurt his hand on the bracelet she was wearing. She identified the photograph of EARL WAYNE PATRIDGE as being the individual who offered the blue uniform officer his black jack. She said that this individual offered the blue uniform officer the black jack on two occasions. The first time the blue uniform officer did not take the black jack but after he hurt his hand, he took the black jack and used it on her.

During the course of her beating, BASINGER struck her four or five times with his black jack and it was BASINGER who struck her in the stomach with his fist. She identified the photograph of PERKINS as the individual who struck the first blow and subsequently hit her three or four times in addition.

She identified the photograph of PATRIDGE as the individual who kicked her in the calf as he placed her in her cell after the beating.

She identified BASINGER by name and the photographs of PATRIDGE and HEROD as the persons who advised her sometime during the evening of June 10 that their trial would be held the following morning. She identified BASINGER by name as the person who took her photographs at the jail.

At the trial the following morning, the Chief of Police was called on to testify, and it was at this time that she found out his official title. She identified the photograph

ME 44-1063

of EARL WAYNE PATRIDGE as being the individual known to her as the Chief of Police.

She identified the photograph of PATRIDGE as the individual who stomped on JAMES WEST's feet right after they were brought to the jail.

She stated no one, other than the people she previously identified, struck her while she was at the jail. She did not see any other members of her group receive their beating.

Miss PONDER advised that she usually can be located in care of SCLC, Atlanta, Georgia, or through her mother, Mrs. MARIE PONDER, 1389 Lansing Street Southeast, Atlanta, phone 525-4781.

U. S. Accuses Sheriff, Police of Race Brutality

The Justice Department yesterday accused the sheriff and police chief of Winona, Miss., of beating and kicking five Negro prisoners in violation of Federal civil rights law.

Attorney General Robert F. Kennedy said the charges were made in a seven-point criminal information filed in Federal Court at Oxford, Miss.

Named as defendants were Earle Wayne Patridge, sheriff of Montgomery County, Miss., which includes Winona; Thomas J. Herod Jr., Winona chief of police; William Surrell, a Winona policeman; John L. Basinger, a State Highway patrolman, and Charles Thomas Perkins, a former state patrolman.

The five men were charged with beating — or directing other prisoners in the Montgomery County jail to beat — five prisoners including three women, arrested in connection with a sit-in demonstration at a Winona bus terminal restaurant.

The prisoners were June Elizabeth Johnson, James Harold West, Annell Ponder, Mrs. Fannie Loy Hamer and Lawrence Guyot.

Kennedy said one count charged the five defendants with conspiring to deprive the Negroes of their constitutional rights and another six counts charged specific beatings.

The defendants also were accused of forcing five of the Negroes to sign statements against their will.

The information charged that the defendants violated a Federal law banning any action by law enforcement officers to deprive anyone of his constitutional rights.

Two counts charged the defendants with beating and kicking Misses Johnson and Ponder on June 9.

One count charged that all of the defendants except Perkins beat Guyot, a representative of the students non-violent coordinating committee who tried unsuccessfully to seek the release of the Negroes following their arrest after the sit-in demonstration.

FOR IMMEDIATE RELEASE
MONDAY, SEPTEMBER 9, 1963

The Department of Justice today charged five men, including the sheriff and police chief of Winona, Mississippi, with beating and kicking five Negro prisoners in violation of a federal civil rights statute.

Attorney General Robert F. Kennedy said the charges were made in a seven-count information filed in United States District Court in Oxford, Mississippi.

Four of the Negroes were arrested last June 9 after seeking service at the Winona bus terminal restaurant. The fifth was arrested after coming to Winona to seek release of the four and two companions who were also arrested at the terminal.

Named as defendants were:

Earle Wayne Patridge, sheriff of Montgomery County, Mississippi, which includes Winona, Thomas J. Herod, Jr., Winona Police Chief; William Surrell, a Winona policeman; John L. Basinger, a state highway patrolman, and Charles Thomas Perkins, a former state patrolman.

Mr. Kennedy said one count of the information charged them with conspiring to deprive the Negro prisoners of their constitutional rights. The other six counts charged specific beatings.

The information said the defendants themselves beat -- or directed other prisoners in the Montgomery County jail to beat -- June Elizabeth Johnson, James Harold West, Annell Ponder, Mrs. Fannie Loy Hamer, and Lawrence Guyot.

Two other women, Rose Marie Freeman and Euvester Simpson also were arrested at the terminal June 9. Guyot, a Student Non-Violent Coordinating Committee representative, was arrested later the same day when he sought the release of the other six.

Mr. Kennedy said the conspiracy count charged that the defendants conspired to inflict summary punishment on six of the Negroes and to force five of them to sign statements against their will.

The information said the defendants acted "under authority of their respective offices and under color of the laws of Mississippi."

Section 242 of Title 18 of the United States Code makes such deprivation of rights by law enforcement officers a federal offense.

Two counts charged all five defendants with beating and kicking Miss Johnson and Miss Ponder on June 9. One count charged that all of the defendants except Perkins beat Guyot on June 9 and another count charged that Patridge, Herod and Basinger beat him again on June 10.

The remaining two counts charged all the defendants with compelling two other prisoners to beat Mrs. Hamer and Mr. West, on June 9. The information said Basinger gave a blackjack to a jail prisoner.

Maximum penalty for each of the five defendants would be a year in prison and a \$1,000 fine on each count.

Patridge, Herod, and Martin C. Billingsley, mayor of Winona, are defendants in a civil suit brought by the Department June 17 seeking an immediate halt to further prosecution of the six arrested Negroes. That suit is in pre-trial stages and no trial date has been set.

On June 11, the six were convicted of disorderly conduct and resisting arrest and were released on \$100 appeal bonds. Their appeals are pending.

The defendants in United States v. Earl Wayne Patridge, et al., Criminal Action No. W-CR-6343, will be arraigned before the United States District Court for the Northern District of Mississippi, in Oxford, Mississippi, on November 11, 1963. We anticipate that they will be tried during the November Term of court in Oxford, which commences on November 18, 1963. To assist in our preparation for trial, the following investigation is requested:

I.

The victims in this case were charged by the defendants with having resisted arrest. Previous investigations by the Bureau of other civil rights complaints involving these same defendants have disclosed instances in which one or more of the defendants, after allegedly beating the victim, have charged the victim with resisting arrest. See your files in Charles Thomas Perkins, Subject; [redacted] Victim, Memphis Field Office File No. 44-1109; Earl Wayne Patridge, Subject; [redacted] Victim, Bureau File No. 44-16340; Earl Wayne Patridge, et al., Subjects, [redacted] et al., Victims, Active File. It may become important in the trial of this case to establish, through proof of other similar instances, that it is the practice of the defendants when they have unlawfully inflicted some injury upon an arrested person, to charge such person with resisting arrest. Accordingly, the following investigation is requested:

1. By examining court, jail and police records, determine the identities of all persons who have, since June 1, 1962, been arrested for or charged with resisting arrest by Thomas Herod, William Surrell, Earl Wayne Patridge, John Bassinger, or Thomas Perkins.

2. Determine, for the period and for each of the defendants just referred to, what proportion of the total number of arrests by such defendant involved a charge of resisting arrest.
3. Interview each of the persons charged with resisting arrest for details regarding the circumstances of the arrest and of the resistance.

II.

The Bureau has previously interviewed certain individuals who were prisoners in the Montgomery County Jail at the time the victims were beaten. Other prisoners, however, were not interviewed because of Sheriff Patridge's refusal to give consent to the interviews. The following additional interviews should now be conducted:

1. Interview [] who was a white prisoner in the jail on June 9, 1963. A news article appearing in the Winona Times of October 24, 1963, states that [] received []
[] Presumably he is now serving this sentence in Parchman Penitentiary.
2. Interview [] a Negro who was a prisoner in the Montgomery County Jail on June 9, 1963 (see report of Special Agent [] dated June 22, 1963, p. 5). Information which we have received in preparing this case for trial indicates that [] has left the Montgomery County Jail and is now being held elsewhere, possibly in Parchman Penitentiary.
3. Re-interview []
[] Miss; see report of Special Agent [] June 22, 1963, p. 7).

4. Re-interview [redacted] of [redacted] Mississippi (see report of Special Agent [redacted] June 22, 1963, p. 16).

In connection with the interview or re-interview of each of the above persons, the interviewee should be shown photographs of the subjects. Each interviewee should be asked to identify which of the subjects were in the Montgomery County Jail during the period that the victims were in the jail, and should be asked to describe the conduct of each of the subjects with respect to the victims. Details should be obtained to the extent not already obtained of any unusual noises heard by the interviewees, and any conversations which they had while in the jail regarding any of the victims, or the conduct of the subjects toward the victims.

III.

The following material should be prepared for use during the trial:

1. A diagram showing the floor plan of the Montgomery County Jail. This diagram should be of appropriate size to use before a jury. Details regarding the construction of this diagram should be discussed with [redacted] this Division.
2. A diagram showing the exterior outlines, relative positions, and streets connecting the Montgomery County Jail, the Montgomery County Courthouse, and the Winona City Hall. Details should be discussed [redacted]
3. Photographs should be obtained of the front exterior of the Montgomery County Jail, the Montgomery County Courthouse, and the Winona City Hall. Photographs should also be obtained of the official car used by Sheriff Patridge, the black patrol car used by the Winona Police Department, and the white patrol car used by Patrolman Basinger (or another similar such car). Three 8 x 10 prints should be made of each photograph.

Enclosed are two copies of a letter from the Department dated 11-1-63.

You should conduct the investigation requested advising appropriate officials and others contacted that this investigation is being conducted at the specific request of Mr. Burke Marshall, AAG, CRD, USDJ. Handle pursuant to Manual of Instructions, Section 27.

With respect to the request for the preparation of diagrams to be used in the trial, it is suggested that you attempt to obtain official blue prints of the pertinent public buildings and appropriate city maps showing the relative locations of the buildings and streets involved. If such material is not available, make appropriate detailed sketches with pertinent measurements and also supplement any public source material obtained with any other pertinent sketches necessary to cover the Department's request. You should also obtain the desired photographs requested in the last paragraph on Page 3.

These aspects must be handled immediately and requested material furnished the Bureau in order that the Exhibits Section can prepare the desired charts and the photographic laboratory can make the enlargements in sufficient time to meet the possible trial date.

RE: EARL WAYNE PATRIDGE, ET AL.

Relative to the display of photographs of the subjects to interviewees, you should insure that a sufficient number of photographs of other persons not necessarily connected with the case are also displayed in order that any identification made is done in as objective a manner as possible. It is suggested also that if feasible some of the photos of other persons be of individuals whose general facial characteristics approximate those of the subjects.

Handle investigative aspects and surep to reach Bureau by 11-14-63 indicating therein the scope of investigation requested.

NOTE:

We conducted extensive investigation of an allegation that subjects participated in or directed the beating of Negro victims after they were arrested on entering a restaurant connected with the bus terminal in Winona, Mississippi, on 6-9-63. We have also conducted investigation of other civil rights complaints involving the same subjects. Department points out that in many instances the subjects charged the victims with resisting arrest.

Department requests we check appropriate records relative to persons charged with resisting arrest since June 1, 1963, to present and interview such persons for details of arrest and resistance involved. Department also requests interviews of several inmates who Sheriff Patridge would not make available while incarcerated in his jail and who are now in other jails or released and that we show photos of subjects to them.

Department also requests two diagrams of jails involved which will be referred to Exhibits Section for handling when diagrams received and that we photograph jails and pertinent patrol cars used by subjects. *Exhibits Section alerted*

Information filed 9-9-63 charging subjects with beating victims in violation of Title 18, Section 242 (color of law). Department advises subjects will be arraigned 11-11-63 and case may be set for trial during term beginning 11-18-63.

Synopsis:

Exhibits Specialist [redacted] traveled to Winona, Mississippi, on 11-6-63 for purpose of obtaining information to use in preparing charts for trial of captioned case. With assistance of Special Agents Lawrence Olson and Joseph Canale, Memphis Office, data was obtained regarding town layout of Winona, Mississippi; City Hall, Mayor's Office and Continental Trailways Bus Terminal, Winona. Measurements not made of Montgomery County Jail nor of Montgomery County Courthouse due to refusal of Sheriff Patridge to permit these measurements to be made. Some data regarding Courthouse and Jail obtained through other sources. [redacted] returned to Washington on 11-9-63 and conferred with SOG case supervisor Edward J. McDonough and Department Attorney [redacted] on 11-12-63 regarding preparation of requested charts in light of available information. Work going forward on charts. Trial scheduled for 12-2-63.

Re: EARL WAYNE PATRIDGE, ET AL

Mayor's Office measurements were needed. He advised that Mayor M. C. Billingsley must approve this action and would be available on 11-7-63.

Attempts to contact Sherrif Patridge at home were fruitless and he was located later in the evening at the Courthouse at which time Agents advised him that they desired to review past arrest records and take measurements of Sheriff's Office, County Jail and Courthouse. Sheriff Patridge indicated he would meet with them on the following morning (11-7-63). On morning of 11-7-63 Sheriff Patridge met FBI personnel and advised that records would not be made available and refused to allow measurements of Jail, Courthouse or Sheriff's Office to be made.

Contact was made with Chief Herod and Mayor Billingsley on 11-7-63 and measurements of Mayor's Office and conference room in City Hall were completed that day. Mayor Billingsley also made blueprint of Winona City Hall available for copying.

It was also noted that a Department of Agriculture aerial photo of the town of Winona, showing City Hall and other public buildings is available. A copy of this photograph will be obtained. In addition, a street map of Winona was purchased at City Hall.

Later that day [redacted] Continental Trailways, Winona Bus Terminal, was contacted and was advised of Bureau's desire to make measurements and drawings of bus terminal. He stated he did not have authority to grant permission for this and referred request to [redacted] Jackson, Mississippi. [redacted] was contacted by telephone, stated he would consult attorney and would call back within ten minutes if any objection. No call received and measurements were made on afternoon of 11-7-63 and morning of 11-8-63. It was noted that bus terminal cafe had been removed. Neither [redacted] knew if blueprints of the terminal existed.

b6
b7C

Upon completing measurements, Exhibits Specialist [redacted] prepared scaled drawings from his field notes for checking purposes. At time these drawings were completed, no transportation for Memphis was available; and, as a result, he left Greenwood, Mississippi, by Southern Airlines on the morning of 11-9-63 for Memphis and returned to Washington by American Airlines, arriving at 3:05 p.m., 11-9-63.
